MEMORANDUM FOR THE HONORABLE WILLIAM J. CASEY

The Director of Central Intelligence

SUBJECT:

President's Report to Congress on the National Counterintelligence and Security

Countermeasures, Plans, Programs and

Capabilities

I appreciate the hard work and commitment on the part of the intelligence community in the preparation of the recently completed report to Congress on counterintelligence, countermeasures and security improvements. I endorse the report and its recommendations. As such I will look to you as the Chairman of the SIG(I) to ensure all the new initiatives and improvements set forth in the report are vigorously implemented within the next two years.

Please keep me informed on a biannual basis of the progress made and problems encountered in the course of this process. Good luck and well done.
